The screenshot displays the PRO4EX trading platform interface. The main window shows a candlestick chart for the USD/CAD pair on a 1-hour (H1) timeframe. The chart includes a grid and various technical indicators. On the left, there is a 'Market Watch' window listing symbols like XAUUSD, GBPUSD, EURUSD, and USDCAD with their respective bid, ask, and spread values. Below the chart is a 'Navigator' window showing the software's structure, including MetaTrader 5, Accounts, Indicators, Expert Advisers, Scripts, Services, Market, Signals, and VPS.

The bottom panel shows the settings for the 'Pivot - For Reversal.ex5' expert. The settings are as follows:
